**Flowers for camp!**

Camp is approaching quickly and we would like to get our south campus looking great for the upcoming camp season.

We are in need of a group or a couple of groups to purchase and plant some flowers in specific areas around campus. The project will need to be completed before the Open House on May 5, 2019.

If you or your church group, youth group, community club, or other group would like to get involved, please give us a call at 859-654-3865 to discuss the details. We would love to talk with you about what we have in mind to dress up our campus before the new camp season begins.
